Q&A Session #1, 2026 by Wes Penre, January 11, 2026

Welcome, and thank you for your questions! Please send more to wespenre2@gmail.com, including 'Q&A' in the subject line, so I don't miss your email.

PLEASE READ (2026 News)

Please keep your questions as brief as possible. I understand that sometimes keeping it short is not an option for conveying your message. Just doing your best is good enough.

My Books in Different Languages

To see my entire book collection, [please visit this link on Amazon.com](#) (and then click "see more" at the bottom of the page). Books are now translated into **Spanish, German, Russian, Polish, and Estonian** by different publishers, including Amazon. In 2026, we will most likely also see my books published in **Romanian**, one by one. I will keep you updated here on my blog, so make sure you subscribe.

Please note: If the question(s) you submit is/are not included in the Q&A, it's usually for two reasons: there was no space to include all questions that week, so keep an eye open for one of the following Q&As. Alternatively, and for some reason, the question(s) did not fit the hallmark for a Q&A—perhaps too broad or complex to answer in this format. It's never because I think a question is "stupid."

Unfortunately, I don't have time to watch videos that people sometimes send me as part of the question. Instead, please focus on the part of the video that relates to the question and include it in the question. Also, please refrain from sending links or lengthy PDFs; I usually don't have time to read them. When I receive these attachments and links, I must automatically disregard these questions unless I can comment on them without having to attend to the attachments.

Question #1: Are the Masters of the Hierarchy (Sananda, etc.) discussed by Helena Blavatsky and Alice Bailey of the true light or of the false light, as Lucis Trust is connected by some to Lucifer?

Comment: These beings are still within the Matrix (inside the Grid/in the astral). The so-called Ascended Masters are mostly “advanced humans,” in the sense that they are no longer incarnating and have been “promoted” by the Archons to ascend to another archontic Heaven, where they can function as teachers. Still, their knowledge is limited to the Matrix, but since they lack physical bodies, they have a slightly better connection with Spirit than people on Earth generally do because of the density here. Light is always Light, and Light is information and Spirit (fire). It doesn’t matter if it’s “Luciferian” or more Divine in nature—it’s still Light. However, Light can be distorted and manipulated, and voila! There we have the Matrix (the so-called “Luciferian” Light).

Question #2: Where are the calls to violence in the Quran coming from? Islam has been the topic of high debate recently due to its radical, extremist sect! Is it coming from the scribes of Ra, aka Marduk, the biblical Satan?

Comment: I would suggest all of the above. Organized religions, as well as most cults and sects, are tools of the Archons/Sirians. Usually, a religion starts with a person having some kind of divine “revelation,” such as “having seen God,” etc., receiving a message. An increasing number of followers adopt the religion—either voluntarily or by being forcefully thrown into it—and as time goes by, there are sometimes fanatics, calling themselves fundamentalists, who go to extremes, such as condemning everybody who does not share their beliefs, and it can become really nasty. Not everything is instigated by the “gods,” although the fundamental ideas often are. Humans are quite good, too, at creating their own spinoffs, which is usually not a good thing.

Question #3: Is there any chance that you would be willing to do a private Q&A with your followers? While I am on my own journey inspired by your research, it is still very difficult for me, given the limited resources available to me and therefore I thought that for us who are on the healing path but still struggling I thought that a private Q&A would benefit those of us who could help those in need when we are ready but to heal ourselves first. The benefits would be having a better understanding of who we are and what we were put here on this earth to do. Thank you for the clarity, btw.

Comment: I put your question here because I have received a few similar requests over time. Unfortunately, I can't do that, since the day has only 24 hours, and I am literally busy every waking moment. There is no room for it. The best thing to do is to email me your questions so I can use them in a public Q&A like this. And yes, each person can ask more than one question.

Question #4: Hi Wes, can you please tell me your thoughts on Bashar? I think you might've said that all channelers are getting their info from this Matrix System. Just

wondering if his info is coming from the man himself doing the channeling but he isn't aware of it or he actually is channeling some thing or someone. He has spoken on the "soul trap" many times as people ask about it a lot and he always says it doesn't exist, he is very stern about it not existing. He speaks on every subject pretty much without hesitation, I am curious [to hear] your thoughts on him. Thank you.

Comment: Bashar is channeled by Darryl Anka, and I just watched a short-video, where Anka is asked who Bashar is: <https://www.youtube.com/shorts/SKSfKSpSnaw>. I appreciate his answer because he is not entirely sure whether it comes from a higher aspect of himself or from an unrelated being or hive-mind.

One major thing we need to be aware of with channeling is that, regardless of whether the channeled "entity" speaks the truth from their perspective, the message often gets distorted when it enters the physical body matrix and manifests as words by the channeler. This happens all the time, as the RA Collective regularly confirmed in the early 1980s—a channel regarded as one of the most relevant in modern times.

I personally like to listen to Bashar on occasion, but I am careful with wetting out the information since I do not agree with everything "he" says. For example, Bashar fundamentally thinks Earth is a school, and there are no traps, only barriers and obstacles that are there for us to learn from. What he doesn't understand(?) is that we don't need pain and suffering to learn. Descending into this density was actually an "unlearning" process. What we now are supposed to learn, we already knew before we were inserted here as Homo sapiens sapiens.

Question #5: Is there any way to hide our thoughts and intentions from the archons?

Wes Penre Productions

Comment: Since we all have archontic DNA inside us, directly linking us to them, they have potential access to us via our chakras (see the [WPP, The Fifth Level of Learning](#), section *v.i. Surya—Lord of the Chakras*, where I discuss how Marduk hijacked the chakras; it's revealed in the Vedas).

I always come back to something Barbara Marciniak's "Pleiadians" call "[The Golden Grounding Cord](#)," which protects your chakras.

Another, perhaps more nebulous solution, is to vibrate and operate on a higher frequency above that which the Archons can operate. To do so, at least a partial connection with our Spirit self is required. That may be more difficult to maintain in this construct, but it's still a valid solution.

In general, I recommend the Golden Grounding Cord or similar protective energy barriers.

Speaking of the WPP. I published "[The Second Level of Learning](#)" on Amazon the other day in book and audio formats. I want to publish all levels of learning as physical books. If the Internet goes down, my WPP website at wespenre.com will go down too, and the information will be lost. But if real books are available in many countries, the information will be preserved.
